This diagram shows an exploded perspective view of a mechanical assembly. The main component is a large circular housing (100) with a central opening. Inside the housing, there is a complex arrangement of gears and shafts. A large gear (144) is mounted on a shaft (146). A smaller gear (148) is mounted on a shaft (134). A third gear (122) is mounted on a shaft (126). A fourth gear (128) is mounted on a shaft (120). A fifth gear (130) is mounted on a shaft (136). A sixth gear (138) is mounted on a shaft (142). A seventh gear (140) is mounted on a shaft (144). A eighth gear (146) is mounted on a shaft (148). A ninth gear (150) is mounted on a shaft (152). A tenth gear (154) is mounted on a shaft (156). A eleventh gear (158) is mounted on a shaft (160). A twelfth gear (164) is mounted on a shaft (166). A thirteenth gear (172) is mounted on a shaft (174). A fourteenth gear (178) is mounted on a shaft (180). A fifteenth gear (182) is mounted on a shaft (184). A sixteenth gear (186) is mounted on a shaft (188). A seventeenth gear (190) is mounted on a shaft (192). A eighteenth gear (194) is mounted on a shaft (196). A nineteenth gear (198) is mounted on a shaft (200). A twentieth gear (202) is mounted on a shaft (204). A twenty-first gear (206) is mounted on a shaft (208). A twenty-second gear (210) is mounted on a shaft (212). A twenty-third gear (214) is mounted on a shaft (216). A twenty-fourth gear (218) is mounted on a shaft (220). A twenty-fifth gear (222) is mounted on a shaft (224). A twenty-sixth gear (226) is mounted on a shaft (228). A twenty-seventh gear (230) is mounted on a shaft (232). A twenty-eighth gear (234) is mounted on a shaft (236). A twenty-ninth gear (238) is mounted on a shaft (240). A thirtieth gear (242) is mounted on a shaft (244). A thirty-first gear (246) is mounted on a shaft (248). A thirty-second gear (250) is mounted on a shaft (252). A thirty-third gear (254) is mounted on a shaft (256). A thirty-fourth gear (258) is mounted on a shaft (260). A thirty-fifth gear (262) is mounted on a shaft (264). A thirty-sixth gear (266) is mounted on a shaft (268). A thirty-seventh gear (270) is mounted on a shaft (272). A thirty-eighth gear (274) is mounted on a shaft (276). A thirty-ninth gear (278) is mounted on a shaft (280). A fortieth gear (282) is mounted on a shaft (284). A forty-first gear (286) is mounted on a shaft (288). A forty-second gear (290) is mounted on a shaft (292). A forty-third gear (294) is mounted on a shaft (296). A forty-fourth gear (298) is mounted on a shaft (300). A forty-fifth gear (302) is mounted on a shaft (304). A forty-sixth gear (306) is mounted on a shaft (308). A forty-seventh gear (310) is mounted on a shaft (312). A forty-eighth gear (314) is mounted on a shaft (316). A forty-ninth gear (318) is mounted on a shaft (320). A fiftieth gear (322) is mounted on a shaft (324). A fifty-first gear (326) is mounted on a shaft (328). A fifty-second gear (330) is mounted on a shaft (332). A fifty-third gear (334) is mounted on a shaft (336). A fifty-fourth gear (338) is mounted on a shaft (340). A fifty-fifth gear (342) is mounted on a shaft (344). A fifty-sixth gear (346) is mounted on a shaft (348). A fifty-seventh gear (350) is mounted on a shaft (352). A fifty-eighth gear (354) is mounted on a shaft (356). A fifty-ninth gear (358) is mounted on a shaft (360). A sixtieth gear (362) is mounted on a shaft (364). A sixty-first gear (366) is mounted on a shaft (368). A sixty-second gear (370) is mounted on a shaft (372). A sixty-third gear (374) is mounted on a shaft (376). A sixty-fourth gear (378) is mounted on a shaft (380). A sixty-fifth gear (382) is mounted on a shaft (384). A sixty-sixth gear (386) is mounted on a shaft (388). A sixty-seventh gear (390) is mounted on a shaft (392). A sixty-eighth gear (394) is mounted on a shaft (396). A sixty-ninth gear (398) is mounted on a shaft (400). A seventieth gear (402) is mounted on a shaft (404). A seventy-first gear (406) is mounted on a shaft (408). A seventy-second gear (410) is mounted on a shaft (412). A seventy-third gear (414) is mounted on a shaft (416). A seventy-fourth gear (418) is mounted on a shaft (420). A seventy-fifth gear (422) is mounted on a shaft (424). A seventy-sixth gear (426) is mounted on a shaft (428). A seventy-seventh gear (430) is mounted on a shaft (432). A seventy-eighth gear (434) is mounted on a shaft (436). A seventy-ninth gear (438) is mounted on a shaft (440). An eightieth gear (442) is mounted on a shaft (444). An eighty-first gear (446) is mounted on a shaft (448). An eighty-second gear (450) is mounted on a shaft (452). An eighty-third gear (454) is mounted on a shaft (456). An eighty-fourth gear (458) is mounted on a shaft (460). An eighty-fifth gear (462) is mounted on a shaft (464). An eighty-sixth gear (466) is mounted on a shaft (468). An eighty-seventh gear (470) is mounted on a shaft (472). An eighty-eighth gear (474) is mounted on a shaft (476). An eighty-ninth gear (478) is mounted on a shaft (480). A ninetieth gear (482) is mounted on a shaft (484). A hundredth gear (486) is mounted on a shaft (488). A hundred and first gear (490) is mounted on a shaft (492). A hundred and second gear (494) is mounted on a shaft (496). A hundred and third gear (498) is mounted on a shaft (500). A hundred and fourth gear (502) is mounted on a shaft (504). A hundred and fifth gear (506) is mounted on a shaft (508). A hundred and sixth gear (510) is mounted on a shaft (512). A hundred and seventh gear (514) is mounted on a shaft (516). A hundred and eighth gear (518) is mounted on a shaft (520). A hundred and ninth gear (522) is mounted on a shaft (524). A hundred and tenth gear (526) is mounted on a shaft (528). A hundred and eleventh gear (530) is mounted on a shaft (532). A hundred and twelfth gear (534) is mounted on a shaft (536). A hundred and thirteenth gear (538) is mounted on a shaft (540). A hundred and fourteenth gear (542) is mounted on a shaft (544). A hundred and fifteenth gear (546) is mounted on a shaft (548). A hundred and sixteenth gear (550) is mounted on a shaft (552). A hundred and seventeenth gear (554) is mounted on a shaft (556). A hundred and eighteenth gear (558) is mounted on a shaft (560). A hundred and nineteenth gear (562) is mounted on a shaft (564). A hundred and twentieth gear (566) is mounted on a shaft (568). A hundred and twenty-first gear (570) is mounted on a shaft (572). A hundred and twenty-second gear (574) is mounted on a shaft (576). A hundred and twenty-third gear (578) is mounted on a shaft (580). A hundred and twenty-fourth gear (582) is mounted on a shaft (584). A hundred and twenty-fifth gear (586) is mounted on a shaft (588). A hundred and twenty-sixth gear (590) is mounted on a shaft (592). A hundred and twenty-seventh gear (594) is mounted on a shaft (596). A hundred and twenty-eighth gear (598) is mounted on a shaft (600). A hundred and twenty-ninth gear (602) is mounted on a shaft (604). A hundred and thirtieth gear (606) is mounted on a shaft (608). A hundred and thirty-first gear (610) is mounted on a shaft (612). A hundred and thirty-second gear (614) is mounted on a shaft (616). A hundred and thirty-third gear (618) is mounted on a shaft (620). A hundred and thirty-fourth gear (622) is mounted on a shaft (624). A hundred and thirty-fifth gear (626) is mounted on a shaft (628). A hundred and thirty-sixth gear (630) is mounted on a shaft (632). A hundred and thirty-seventh gear (634) is mounted on a shaft (636). A hundred and thirty-eighth gear (638) is mounted on a shaft (640). A hundred and thirty-ninth gear (642) is mounted on a shaft (644). A hundred and fortieth gear (646) is mounted on a shaft (648). A hundred and forty-first gear (650) is mounted on a shaft (652). A hundred and forty-second gear (654) is mounted on a shaft (656). A hundred and forty-third gear (658) is mounted on a shaft (660). A hundred and forty-fourth gear (662) is mounted on a shaft (664). A hundred and forty-fifth gear (666) is mounted on a shaft (668). A hundred and forty-sixth gear (670) is mounted on a shaft (672). A hundred and forty-seventh gear (674) is mounted on a shaft (676). A hundred and forty-eighth gear (678) is mounted on a shaft (680). A hundred and forty-ninth gear (682) is mounted on a shaft (684). A hundred and fiftieth gear (686) is mounted on a shaft (688). A hundred and fifty-first gear (690) is mounted on a shaft (692). A hundred and fifty-second gear (694) is mounted on a shaft (696). A hundred and fifty-third gear (698) is mounted on a shaft (700). A hundred and fifty-fourth gear (702) is mounted on a shaft (704). A hundred and fifty-fifth gear (706) is mounted on a shaft (708). A hundred and fifty-sixth gear (710) is mounted on a shaft (712). A hundred and fifty-seventh gear (714) is mounted on a shaft (716). A hundred and fifty-eighth gear (718) is mounted on a shaft (720). A hundred and fifty-ninth gear (722) is mounted on a shaft (724). A hundred and sixtieth gear (726) is mounted on a shaft (728). A hundred and sixty-first gear (730) is mounted on a shaft (732). A hundred and sixty-second gear (734) is mounted on a shaft (736). A hundred and sixty-third gear (738) is mounted on a shaft (740). A hundred and sixty-fourth gear (742) is mounted on a shaft (744). A hundred and sixty-fifth gear (746) is mounted on a shaft (748). A hundred and sixty-sixth gear (750) is mounted on a shaft (752). A hundred and sixty-seventh gear (754) is mounted on a shaft (756). A hundred and sixty-eighth gear (758) is mounted on a shaft (760). A hundred and sixty-ninth gear (762) is mounted on a shaft (764). A hundred and seventieth gear (766) is mounted on a shaft (768). A hundred and seventy-first gear (770) is mounted on a shaft (772). A hundred and seventy-second gear (774) is mounted on a shaft (776). A hundred and seventy-third gear (778) is mounted on a shaft (780). A hundred and seventy-fourth gear (782) is mounted on a shaft (784). A hundred and seventy-fifth gear (786) is mounted on a shaft (788). A hundred and seventy-sixth gear (790) is mounted on a shaft (792). A hundred and seventy-seventh gear (794) is mounted on a shaft (796). A hundred and seventy-eighth gear (798) is mounted on a shaft (800). A hundred and seventy-ninth gear (802) is mounted on a shaft (804). A hundred and eightieth gear (806) is mounted on a shaft (808). A hundred and eighty-first gear (810) is mounted on a shaft (812). A hundred and eighty-second gear (814) is mounted on a shaft (816). A hundred and eighty-third gear (818) is mounted on a shaft (820). A hundred and eighty-fourth gear (822) is mounted on a shaft (824). A hundred and eighty-fifth gear (826) is mounted on a shaft (828). A hundred and eighty-sixth gear (830) is mounted on a shaft (832). A hundred and eighty-seventh gear (834) is mounted on a shaft (836). A hundred and eighty-eighth gear (838) is mounted on a shaft (840). A hundred and eighty-ninth gear (842) is mounted on a shaft (844). A hundred and ninetieth gear (846) is mounted on a shaft (848). A hundred and ninety-first gear (850) is mounted on a shaft (852). A hundred and ninety-second gear (854) is mounted on a shaft (856). A hundred and ninety-third gear (858) is mounted on a shaft (860). A hundred and ninety-fourth gear (862) is mounted on a shaft (864). A hundred and ninety-fifth gear (866) is mounted on a shaft (868). A hundred and ninety-sixth gear (870) is mounted on a shaft (872). A hundred and ninety-seventh gear (874) is mounted on a shaft (876). A hundred and ninety-eighth gear (878) is mounted on a shaft (880). A hundred and ninety-ninth gear (882) is mounted on a shaft (884). A hundredth gear (886) is mounted on a shaft (888). A hundred and one gear (890) is mounted on a shaft (892). A hundred and two gear (894) is mounted on a shaft (896). A hundred and three gear (898) is mounted on a shaft (900). A hundred and four gear (902) is mounted on a shaft (904). A hundred and five gear (906) is mounted on a shaft (908). A hundred and six gear (910) is mounted on a shaft (912). A hundred and
